

### ***Our Mission***

America's International Miss Scholarship program empowers young women to make a positive impact in their communities. Our AIM delegates exemplify poise, grace, and elegance, adhering to the highest standards of excellence. Join us in fostering a generation of empowered and influential leaders.

Our delegates and queens are the epitome of excellence, setting a benchmark for delegates. As they embark on this journey, our hope for them is to create lasting memories and make lifelong friendships. We encourage them to take their community service to the next level, inspiring others to join in making a meaningful difference.

### ***2024 National Scholarship Pageant***

Beaufort is known for its scenic riverfront, outstanding golf courses, and outdoor adventures. Beaufort's rich history is beautifully preserved in the buildings and stately antebellum homes that line the city's oak-shaded streets. This year, we are excited for our national scholarship pageant to return to beautiful Beaufort, South Carolina! We hope to see you there!

## ***In Memory/Honor of Scholarship***

This scholarship offers an opportunity to pay tribute to a cherished individual. The minimum scholarship amount is \$100, in addition to covering the expense of an engraved glass award. Sponsors are required to submit a paragraph highlighting the honoree and explaining the significance of the scholarship. America's International Miss, in collaboration with the sponsor, will select the winners. Details about the scholarship will be shared on the America's International Miss website before the pageant. Following the event, a photo of the recipient will be featured throughout the year. We extend an invitation for you to present the award at our National Pageant, and in case of your absence, it will be presented on your behalf.

We welcome all sponsorship proposals and are open to customizing packages to meet your specific needs. If none of the existing packages align with your requirements, feel free to submit your unique proposal.

Please ensure that all sponsorship items are received by the national office no later than September 15, 2024, to allow time for processing and coordination. Your support is highly valued, and we look forward to the opportunity to work with you.
